

Basic 90

The Bible is the key to living the Champion Life. God's word is your life playbook, GPS and instruction manual. Let us help you get started. We call it SOAP.

Scripture

Take time reading your Bible and allow God to speak to you. When you are done, look for a verse that particularly spoke to you that day, and write it in a journal or on a notecard and revisit it later.

Observation

What do you think God is saying to you in this scripture? Ask the Holy Spirit to teach you and reveal insight to you. Paraphrase and write this scripture down in your own words or talk to someone about it.

Application

Personalize what you have read, by asking yourself how it applies to your life right now. Perhaps it is instruction, encouragement, revelation of a new promise, or corrections for a particular area of your life. How can this apply to you?

Prayer

This can be as simple as asking God to help you use this scripture, or it may be a greater insight on what He may be revealing to you. Remember, prayer is a two-way conversation, so be sure to listen to what God has to say!

It helps to have a journal handy when you go through it with the New Testament reading plan we have included on the back.
